

## S.H.A.R.E.S. Program

**How/Where it works:** The members of your group (QAS) simply agree to use a Lucky S.H.A.R.E.S. Card to purchase their groceries at any **Lucky, Save Mart, S-Mart Foods** or **FoodMaxx** stores.

**What it does:** Each time a card is used, **3%** of the value is automatically transferred to QAS under the member’s name. QAS will receive an electronic statement each month with the value added and percent earned by individual members and a total value and percent earned by QAS. Earnings will be sent to QAS electronically on a monthly basis.

**Who can get a card:** **Each family is allowed 2 cards per student enrolled in QAS;** i.e., if you have 2 children, you may receive 4 cards.

**Expiration:** The card may be used until it expires. The expiration date is the date of the child’s graduation from QAS.

**How to sign up:** Submit this form back to the School Office as soon as possible and you will be enrolled in the program. Until you receive a card, you are **not** enrolled.

Cards will arrive in approximately 3- 4 weeks. Once you receive your card, you can begin shopping with the card immediately.

**Questions:** Call Ellen Hall via QAS School Office (685-8700).
